

Peyote series

Designed by E-ggs, Italy

Designed by the Italian design studio e-ggs, Peyote is an elegant dining table with an organic design inspired by leaves and nature's ability to create new shapes. Peyote manages to be elegant yet bombastic at the same time, featuring a round, leaf-shaped base and perfectly floating table top, created in beautiful materials. The Peyote dining table is created in a combination of moulded veneer, MDF and plywood, which ensures stability and durability.

Meet the designer

Siamo uno studio di design interdisciplinare composto da personalità, esperienze e prospettive diverse che insieme generano un processo creativo dinamico. Ci ispiriamo a ciò che ci circonda al mondo in cui viviamo. Materiali, strutture, colori, forme e dettagli nascosti che stuzzicano la nostra curiosità. Tutto aiuta a forgiare ogni singolo design che esprime diverse idee e prospettive. I nostri prodotti sono, pertanto, il risultato di questa interazione che nasce. Tra noi e i designer e tra noi e il mondo esterno.
