

Link series

Designed by Glismand & Rüdiger, Denmark

Link is a series of beautiful tables with a clear-cut and sleek silhouette. The tabletop is made in FSC-certified solid wood and is kept balanced by four slim metal legs that are lowered into the top giving the design a crafted and clean surface. The construction also permits for a longer and slimmer tabletop while never compromising on durability or longevity of the design. Link is designed by the Danish duo, Glismand & Rüdiger, who have thought modularity and flexibility into the design process. Each table therefore works as standalone pieces or placed together in beautiful rows of two or more.

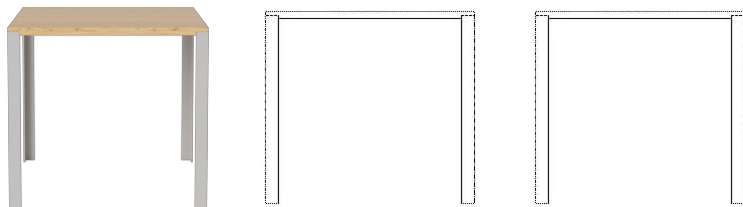

Meet the designer

Bolia è nato in Danimarca, così come il rinomato duo creativo Glismand & Rüdiger: il loro paese d'origine rappresenta la principale fonte di ispirazione nel loro approccio al design. Durante la fase di progettazione dei loro mobili, i due designer traggono ispirazione dalla natura florida e dai materiali vivi della Scandinavia, senza dimenticare di onorare la tradizione del design scandinavo basata sulla semplicità, l'eleganza, l'artigianalità e i materiali sostenibili. "Condividiamo la passione per il design scandinavo e i materiali naturali. La sostenibilità è il punto di partenza per la creazione di ogni nuovo oggetto. Dai primi schizzi al prodotto finale, ciò che ci sta più a cuore è creare bei prodotti costruiti per durare e sopravvivere alle mode." Per Glismand & Rüdiger Scandinavian, il design non è un'etichetta, ma è l'impegno che si mette nel lavoro di progettazione. È qualcosa da interpretare da una prospettiva nuova e contemporanea e di cui andare fieri.
