

## Island series

Designed by Umit Caglar, Turkey

---

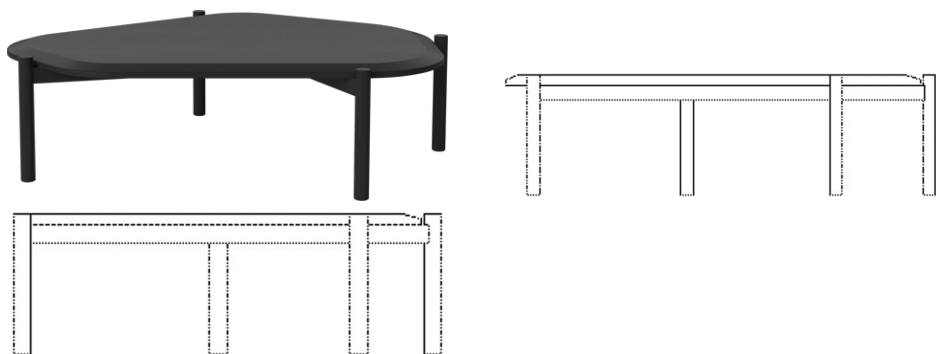

Island is a coffee table inspired by the Nordic nature with an organic design. The contours and soft lines of the table top imitate waves that hit the coast and help give Island a graphic and playful expression. The traditional craftsmanship is particularly evident in the solid base made of FSC-certified wood, while the design makes Island the perfect match for a sofa with chaise longue.

### Meet the designer

Me he formado como interiorista y he crecido en un hogar cuya creatividad siempre me ha acompañado en mi trayectoria posterior. Combino las líneas orgánicas con formas y materiales naturales, y suelo trabajar con diferentes especialidades para mezclar formas, disciplinas y lenguajes. Me encargo de fusionar la artesanía tradicional con nuevas tecnologías para conseguir un diseño innovador nunca visto.
