

Forest series

Designed by Pavel Vetrov, Ukraine

The Forest series was brought to life with inspiration from the untouched forest, as well as the feeling of calmness and being alone that we seek in nature. A series of side and coffee tables all sharing a strong connection to the forest, which can be seen in the beautiful sleek legs which, when you put several tables together, are reminiscent of the forest with its beautiful tree trunks and tops. The design language is clean and simple, with a level of craftsmanship that is particularly evident in the tabletop and gives the design a distinctive, organic and refined look.

Meet the designer

Den ukrainske designer, Pavel Vetrov, er blandt andet inspireret af musikken og verden omkring ham. Med en enkel tilgang til designprocessen søger han at fjerne al unødvendig støj fra sine produkter, for at skabe noget, der netop er iøjnefaldende enkelt. Og for ham er det taktile, de ærlige materialer og den umiddelbare funktion indbegrebet af godt design.
