

## Piper series

Designed by 365° North, Denmark

---

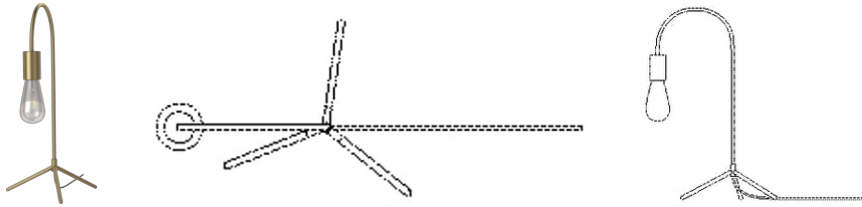

365° North has designed the Piper series, comprising wall lamps, floor lamps, pendants and more. A simple design with clean lines and an industrial look, making Piper a beautiful addition to any space – hanging next to your sofa, on the kitchen wall or as an eye-catching pendant above the dining table. Choose from three finishes to perfectly fit your interior: matt grey, black or antique brass, and create the right ambience by choosing from our selection of Bolia LED lightbulbs in clear, opal or golden glass.

### Meet the designer

Para mí, el diseño debe tener sentido. La forma, el color y la elección del material deben sumarse a una unidad superior y darle sentido a cada obra. El buen diseño es funcional, bello y comprensible.
