

## Orb series

Designed by 365° North, Denmark

---

A visual treat. The Orb floor lamp is the ultimate in industrial design in brass and glass, beautifully balancing the raw outside with an ultra-elegant expression. A fantastic floor lamp, a veritable eye-catcher that is sure to inject heaps of identity into your home, whether you put Orb in your living room, entrance hall or even in your walk-in closet.

### Meet the designer

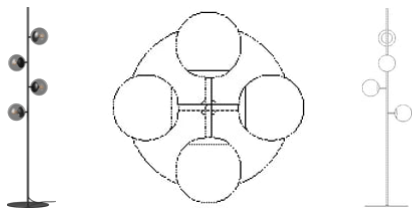

Para mí, el diseño debe tener sentido. La forma, el color y la elección del material deben sumarse a una unidad superior y darle sentido a cada obra. El buen diseño es funcional, bello y comprensible.
