

Reflection series

Designed by Asger Risborg Jakobsen, Denmark

Born with the idea and aspiration to create something simple, elegant and timeless that embraces and highlights the basic features of a lamp, namely the light source and the shade, Reflection came to life. The designer behind, Asger Risborg Jakobsen, decided to bring forth and separate the two basic components from one another, giving a beautiful reflection and play between the shade and the soft light source. A beautiful design with a timeless and still lively feel.

Meet the designer

El diseñador danés y doctor Asger Risborg Jakobsen se inspira en la complejidad y sencillez simultáneas de la naturaleza. Cuando diseña, intenta deconstruir sus ideas hasta su esencia: funcionalidad, belleza, personalidad y artesanía. A la hora de buscar la esencia de los productos, su deseo es crear diseños duraderos que reflejen la belleza del mundo del que forman parte.
