

Acorn series

Designed by 365° North, Denmark

The Acorn pendants and table lamps share an appealing, organic silhouette inspired by the characteristic shape of an acorn. These lamps are crafted from FSC®-certified oiled oak and feature shades made of white opal glass or semi-transparent fabric. The cord is cleverly incorporated into the design, resulting in a sleek and seamless look. The elegant contrasts of materials give the lamps a striking appearance, whether they are turned on or off. Designed by 365° North, a Danish design studio.

Meet the designer

Para mí, el diseño debe tener sentido. La forma, el color y la elección del material deben sumarse a una unidad superior y darle sentido a cada obra. El buen diseño es funcional, bello y comprensible.
