

## Elope series

Designed by Allan Nøddebo, Denmark

---

The Elope mirrors are designed by Studio Nøddebo and inspired by the Danish archipelago of more than 400 islands. Crafted with a frame in FSC® certified oak, carved into rounded, organic shapes that can be mounted in various directions to fit any wall.

### Meet the designer

Il mio stile è pulito, autentico e orientato all'utente. In un perfetto equilibrio tra osservazione e funzionalità, estetica ed emozione, definiamo e analizziamo il DNA di ogni oggetto. Il nostro obiettivo è di creare oggetti che possano migliorare indefinitamente la nostra vita quotidiana. Una delle mie fonti di ispirazione più grandi è il mercato delle pulci. Lì, trovo sempre oggetti d'epoca che mi ricordano come viveva la gente. Mi fanno riflettere sul modo in cui viviamo oggi e guardare agli oggetti che ci circondano da una nuova prospettiva. Lo trovo molto utile e spesso mi spinge a pensare verso nuove direzioni.
