

Graceful series

Designed by Michael H. Nielsen, Denmark

The Graceful series is a timeless and elegant interpretation of our Scandinavian design heritage that tells a story of great craftsmanship and most importantly – longevity. A series of tables with matching benches, coffee tables and desks, designed by the Danish designer Michael H. Nielsen. Characterised by sleek lines, poetic angles and solid, FSC® certified wood that invites you to feel, touch and experience with all your senses.

Meet the designer

My style is characterized by keeping the focus on the detail and "edge" that separates my designs from the crowd. One of my biggest influences is to register how much diversity there is among people and try to meet the very different needs that it creates. I've always been fascinated by the craftsmanship and the interaction between craftsman and designer. Good design is what gives meaning and value to the people who use it.
